

ING AUSTRAL

## CELA INSERVICE TRAINING

# Professional development at a time and location that suits your team

Choose from over 50 topics, delivered by our sector experts where, when and how you need it.

*We acknowledge the traditional custodians of the land on which we work and live.*

## How it works

### 1. Select a topic

Choose a topic from our extensive training menu

### 2. Choose a date

Call us to discuss a date and time that suits your team (Note: subject to trainer availability)

### 3. Decide on a delivery mode

Let us know whether you'd like your session delivered online via our interactive live webinar platform, or face to face.

## Choose a topic from our extensive training menu

## Customise your content

Would you like to have the content of your session tailored? Tell us about the specific challenges and needs of your team and we will review the content of your chosen session to reflect your needs. We can also include real scenarios from your service to contextualise the learning.

### Will you book a single session or a series?

We can develop and deliver a single session or a full package consisting of a series of sessions delivered over a period of time in order to support you taking progressive steps towards an important learning goal.

### FIND OUT MORE

Please complete the [enquiry form on this page](#) or contact us on **1800 157 818** to talk about inservice and customised training.

## Your contribution to our advocacy efforts

Through targeted learning and development, CELA promotes the professional growth of educators and teachers to meet the needs of their communities. In 2023, CELA trained over 10,200 sector professionals across all qualification levels. Training with CELA benefits the entire sector as profits from training fees are reinvested into our advocacy work, membership benefits and professional development initiatives.
