JUN - DEC 2021 CALENDAR

CELA's learning and development program equips educators with the knowledge that changes practice and underpins quality early education. Over 7,000 early education and care professionals trained with CELA in 2020.

Our training calendar is developed on a bi-annual basis, in line with member feedback and the latest sector insights. Our sessions provide the tools and inspiration that your team need in order to deliver quality education and care.

All sessions are delivered via live webinar format by enthusiastic and experienced facilitators who provide opportunities to engage and ask questions.

In addition to your live webinar, our knowledgeable CELA Resource Specialists curate the latest resources of relevance to your session, enhancing your online and learning experience.

FOUR WAYS TO LEARN WITH CELA

1. CALENDAR TRAINING

Join one of our popular live webinars - many sessions are scheduled on multiple times and dates in order to maximise availability.

2. INDIVIDUAL MENTORING

We offer a unique mentoring program, completely tailored to your needs and specifications.

3. CUSTOMISED

Can't make the time or date of a calendar session or need something delivered specifically for your team? CELA can bring the training to you, no matter where you are. You choose the date, location and area and we will tailor the content for you and your team via live webinar or face to face format.

4. SELF PACED

Complete CHCPRT001 Identify and Respond to Young People at Risk in your own time and convenience with expert facilitator support.

WE EXIST TO SUPPORT YOU!

CELA WEBINAR TRAINING CHECK LIST

Providing enriching and rewarding online professional development is of the utmost importance to CELA. Our calendar is reviewed and refined on a quarterly basis by our expert training team, who draw from their own experience of working in and running a service to ensure that every session is inspirational and topical, with strategies and ideas that you can implement in your service today.

All sessions are delivered via an interactive and easy to use live webinar platform. Our exceptional team of facilitators invite questions and comments and aim to make every session highly engaging and rewarding.

The below checklist has been provided as a guide for participants to maximise and enhance the online learning experience. At the beginning of the session, one of CELA's moderators will be there to trouble shoot any problems you may encounter. Participants can contact our team on 1800 157 818 at any time before, during or after their session to ask a question or clarify any queries or concerns.

1 BEFORE YOUR SESSION

WHAT YOU WILL RECEIVE BEFORE YOUR SESSION

Upon booking your training with CELA, you will receive a billing confirmation email with the booked session details and a copy of your invoice/receipt.

The booked participant will also receive a confirmation email with their session details, webinar link and session resources.

THINGS TO PREPARE

Consider why you chose to undertake this professional development and how

the topic may help you in your role. If you are undertaking the training as a team, discuss your desired outcomes and any questions you may have around this topic.

It is important to plan and assess the space you will be carrying out your training - this careful planning can assist in avoiding any unexpected technical issues or disruptions that may occur on the day. Please work through the below list to maximise your online learning experience.

3 POST SESSION

After your training, we would love your feedback – you can complete a [quick evaluation survey here](#), scan the QR code below, or email us if you had any comments at training@cela.org.au.

WHAT YOU WILL RECEIVE AFTER YOUR SESSION

Following the completion of your session, you will receive a digital certificate of attendance. Add this training to your self-assessment – you have made an important step towards strengthening your service!

Call the CELA team on 1800 157 818 to discuss the next step in your learning journey.

2 THE DAY OF YOUR SESSION

CHECK YOUR TECH! MAKE SURE YOU HAVE:

- ☐ A strong and stable internet connection,
- ☐ A good-sized screen to watch – preferably not a mobile phone, although this can be used if there is no alternative,
- ☐ Your computer or device will have inbuilt speakers that you will need to use during the training session. We suggest that you test that your speakers are working prior to the event. You can do this easily by playing a YouTube video or music file. Consider using headphones if there are others in the room,
- ☐ Your computer or device will have an inbuilt microphone. We suggest that you test it prior to the event to ensure that you are able to engage and ask questions if necessary,
- ☐ Your computer or device will have an inbuilt

camera. We suggest that you test it prior to the event so that you can fully engage with the facilitator and other participants in the session,

- ☐ Have a pen and paper available to take notes of key takeaways,
- ☐ Be logged in and ready to start training **5-10 minutes before the scheduled start time**. This way, if you come across any technical difficulties, you have time to get them sorted!

If you do experience any issues, you can contact our CELA Support Team on 1800 157 818 who will assist you with your query.

DURING THE SESSION

Be focused and present throughout, however feel free to move, stretch, and use the bathroom when needed. We encourage you to be actively engaged, ask questions, and share your reflective thoughts.
