WHO NEVER HAVE TO FACE A CHALLENGE ALONE

Why join?

“CELA is a lifeline for Early Childhood Services.

It is a one stop shop for current information about all things related to providing quality Early Childhood Education and Care.”

CELA member

Being a CELA member means that you'll never have to face a challenge alone.

Our highly experienced sector specialists are only a phone call or email away.

You will be speaking with people who have operational experience in service delivery and management, many of whom are still working in the sector. Whether you're looking for a better understanding of how regulatory changes affect you and your service, or resources and support to improve practice and service delivery, our expert staff will help you to find your way.

Telling it louder, sharing it wider and making it clearer

We're your voice for advocacy and a vital channel for sector information - delivering breaking news via our weekly Amplify! publication and Rattler journal and providing a platform for discussion and commentary on sector topics.

We turn complex issues into relatable and understandable information.

We advocate on behalf of our members, speaking with governments to highlight issues and potential solutions, and to help legislators understand how policies affect ECEC providers and the families we support.

Your first point of call for professional development, consultancy and networking

We're an essential source of training and development for all levels of early education and care, providing a range of regularly updated live training sessions and pre-recorded webinars.

Our expert consultants have helped many services to navigate through the set up and implementation of a successful service, while our inspiring networking events have brought together thousands of likeminded professionals to share their ideas and build their knowledge in a warm, friendly environment — both in person and online.

BENEFIT FROM OVER 40 YEARS OF SECTOR EXPERTISE FOR LESS THAN \$1 A DAY

WE UNDERSTAND YOU

CELA is the peak body for early education and care. We have been supporting ECEC professionals for over 40 years. We understand you and your challenges.

YOU'LL BE SUPPORTED

Our friendly experts will guide you through challenges via phone support, member news, mentoring and consultancy. We make sure your voice is heard through our advocacy to government.

Taking out a service level membership ensures that your whole team is supported - we support over 20,000 early education professionals through their service's membership.

YOU'LL SAVE TIME

Our extensive member library contains up-to-date resources written by sector experts including time saving tools, policies, forms, job descriptions, templates and practice guides. They will help you to navigate the National Quality Framework and Standards and provide the information you need to operate a high quality early education and care service.

YOU'LL SAVE MONEY

Members receive significant discounts on training, consultancy and mentoring.

"You do so much so well. For me it's about having support when I need it. The Essential Guide has saved the day so many times, it's great being able to pull it out and have a starting point. Also, being able to call and chat has also been helpful. And I love those really simple guides. I use them with staff a lot and I've recently started using them with students."
